Homecumming!

I was at work doing sweet FA because I was thinking about sex.

I was going through a bit of a dry spell with my boyfriend being away and all I wanted was a good hard length.

Just so he got the message when he finally came back I put on my sexy fishnets and some killer heels.

I wasn't disappointed when he came home – he had a hard-on already!

I had been watching porn and wanking. Needless to say he had his clothes off in seconds flat and his face was buried in my wet pussy before I had a chance to say hello!

He expertly licked me out with his fingers buried in my chuff.

Then he stood up and I took his whole length into my hot mouth. He let out a long moan of pleasure.

I could already taste pre-cum on his helmet and this drove me on to suck him even harder.

He stopped me and told me he'd saved a week's worth of cum for me and really wanted to fill me up.

I sat down and spread my legs, inviting him to plunge into me as far as he could.

He didn't need asking twice and moments later he had sunk himself all the way in and his heavy balls were slapping against my arsehole.

He started to fuck me hard and I was close to cumming but I wanted him to fuck me from behind while he pulled on my doggy chain.

He flipped me over and nudged his cock against my arsehole. This was a great idea as I could slip my vibrator inside my cunt and get fucked in both holes.

He fucked me gently in the arse but I wanted it hard. I told him not to hold back but to save his cum.

With that order given I was soon screaming the house down as both holes got fucked.

He told me he was close and that made me cum. I came so hard I ejaculated all over his legs and mine. I might even have peed myself but I didn't care.

Now I felt really filthy and wanted his hot cum down my throat.

He pulled out of my aching bumhole and I turned over and positioned myself under his cock.

He wanked hard onto the tip of my tongue and soon jet after jet of lovely hot cum was pouring down my throat.

He wasn't lying about not wanking for a week – I had to gulp twice to get it all down me. It's supposed to be good for you!

Hope I got you hard.

Robyn, Kings Lynn.

Eve

What on Earth has Eve been up to that she needs to use antibacterial wipes to do the dusting? Normally a quick squirt of Mr Sheen does the trick!

"Look, I'm not really doing the dusting, alright? Although by the time I've finished playing with my juicy cunt for you I reckon a few of your readers will be needing some wipes to get themselves clean!"

You're probably right, so let's forget about the dusting and cut to the chase, shall we, while we get on with a spot of polishing of our own...

WASH AND TUMBLE

My husband brought me a new washing machine for my birthday and although needed I was pretty fucked-off as I was hoping for a dirty weekend away or some lingerie.

Anyway the next day I was doing the housework as usual. Popping in the dirty washing I carried on about the house. Suddenly I heard water pouring out of the machine! Screaming, I ran over slipping on the soapy water and I tried to turn it off. It wasn't working and water was spurting out everywhere. Still screaming, I ran out the house not really knowing why and spotted a guy from down the road. I must have looked like a mad woman as I ran up to him, grabbed his arm and dragged him into my kitchen. He managed to turn the machine off but not before he was soaked though.

CONTACT ME

Out of breath, we sat down on the wet floor and I noticed how sexy he was.

Feeling awful about him getting all wet I offered him my husband's clothes to change into. He gladly accepted and I showed him to my bedroom. Leaving the door ajar I watched as he got naked. His body was amazing and I felt so naughty spying on him. I felt my hands sliding in between my wet clothes and skin.

The more he took off the deeper my finger went inside me.

Getting carried away I let out a groan and he turned around surprised to see me. Feeling my cheeks burn up I told him I was sorry and pushed the door closed. In two secs he opened the door and I saw he was sporting a massive hard on. He told me to get out of my clothes and get in the bed.

Without thinking what I was doing I followed his orders. Walking over to the bed he stuck his cock in my mouth and I gladly sucked him hard, licking at his balls as he played with my tits.

Removing his dick from my mouth he went down on me, something my husband has not done for years. Feeling his tongue darting in, out and around my pussy was heaven.

I felt his mouth move to my arsehole and he licked and fingered it and it felt amazing.

I couldn't believe I was being fucked by a stranger in our bed, let alone about to try anal sex for the first time!

He eased his cock up my virgin arse. The more I relaxed the deeper he went. Soon he was fucking me hard, his fingers playing with my clit. We were soon ready to cum and as I felt his hot spunk shoot up my arse I came all over his hands screaming in ecstasy. Turns out my husband's present was the best ever.

Stella, Warwick.

As a socially responsibly publication, we wouldn't dream of trying to promote smoking in this day and age, but we've got to say, a night spent in with nothing but Teleela and her hubble-bubble looks like it'd be quite a spectacular way to while away a few hours, doesn't it?

"If a guy wants something to suck on when he's with me, I'd much prefer it if her started on my nipples before moving on to my clit!" Teleela grins. "And if he's got anything for me to suck on, then who needs the hookah?"

Cock-A-Bi-Babe!

I may be bi but I take cock like a trooper!

Last week my man and I headed into town to visit an adult cinema. I was dressed in a three quarter coat to hide my skimpy attire underneath. My partner led me to a row of seats near the front and we sat down to watch the feature. There were two men to the left of me and two blokes in the row in front of us.

The first scene that filled my vision and made my pussy all squishy was some young lady being fucked while sucking on a monstrous cock.

My juices were flowing so freely I decided to take my thong off and begin skimming my pussy with my fingers.

The two blokes next to me began to eye me up. If they couldn't see me well in the gloom they could certainly smell my pussy!

I spread my legs for them and gave them a flash then reached to my left and released the stranger's already solid cock from his trousers.

I did the same with my partner, whose penis was already satisfyingly rigid and ready for action.

I wanked both cocks till they were grunting with pleasure then got down on to my knees, moved my partner into the seat I'd just vacated and settled down in between the two strangers and him.

I slowly sucked their dicks in turn, taking special care over the strangers' bloated ball bags and purple heads, thrusting my tongue into their japs-eyes and making them gasp with pleasure.

My juices

were flowing like mad when the first stranger gave me both barrels in the back of the throat. I swallowed every drop while the second stranger next to him furiously wanked.

Then I leaned over and sucked my partner's dick while the second stranger thrust his cock into my pussy. I looked deep into my partner's eyes while this stranger thundered his massive cock in and out of me.

The blokes in the front row had not been unaware of what was happening and one had already got on his back. I squatted on his fat cock while stranger 4 wedged his cock up my tight little arse.

They fucked me like this while my man fed his cock into my mouth and fucked my face.

Stranger 4 let out a growl and a grunt and fired hot man juice up my arse while my partner held my head in both hands and fucked me in the mouth till he covered my tonsils.

This was too much for me and I soon orgasmed all over stranger 3's dick.

In turn he fucked me hard and fast until my body was shaking with wave after wave of pleasure then filled my cunt with juice.

Louise, West Mids.

MELODY

With a name like Melody, we'd like to think this Midlands cutie's got a talent for music, or at least a fondness for it... "Well, I did play the recorder for a while at school, but I don't remember getting very far past London's Burning before giving it up. I'd love to be able to play something, but never really had the patience for all that practice..." That's a pity – practice makes perfect, after all! "Yeah, well why waste your time blowing into a recorder when you can be sucking on a cock, that's what I say! Plus it's much more fun to practice!"

When Zara came in for this shoot she stumbled across a vintage issue of Escort we had knocking about, and for quite some time she couldn't tear herself away from it. So what's the appeal?

"Oh, I kind of like the idea that the models who appear in it are probably all going on 60 or so now, probably parents and even grandparents living respectable lives! And yet her I am, looking at them showing off their fannies and getting all horny thinking about them. I wonder if guys will be getting off on my pictures in 30 or 40 years' time…?"

We wouldn't bet against it!

REAL WIFE SEX

Leanne's getting into the swing of things!

"I got there first, my cunt bursting with pleasure as I came much harder than I had for a long time."

A few months ago my husband, Dave, suggested that we try swinging. It was right out of the blue – we had a good sex life, so I don't know where he got the idea. To be honest, I was a little appalled at the idea. I asked him what he was thinking and he showed me a few websites he'd been looking at and an issue of a contact mag he'd bought. I must admit, reading the letters and looking at the ads on the net turned me on a bit – we had a great shag that night! Then he suggested that, if I wasn't into actually fucking anyone else, perhaps we could just 'soft' swing, where we'd shag in front of other couples. I was a bit scared about the whole thing, but also turned on by the idea, so I tentatively agreed.

We talked about it some more over the next few days, and found a regular swinging party, that was held quite locally in a fetish club. We decided that the next time it was held, we'd go and check out it out. We phoned the organisers beforehand, to see what the dress code was, and what the rules for such an event were. And we double-checked that soft swinging would be OK – we didn't want to end up in a position where we upset anyone or we were put under pressure to do anything more than we were comfortable with. We set ourselves very strict rules: we had to stay together, we could look at other people but not touch, and we wouldn't actually do anything in front of anyone else unless we both agreed. And if we decided we did want to go any further with other people, we had to have a chat first and check we were both on the same page.

The evening came round, and I got dressed up as sexily as possible in my black leather thigh-high boots, mini-skirt and low-cut top. We arrived at the party, and went straight to the bar to grab a much-needed drink. I think we were both surprised at how normal it all seemed! Of course we'd read that it wouldn't be some wild orgy as soon as you walked in, but we both still had that kind of idea in our minds until we actually got in there. We mingled for a bit – it was a very relaxed atmosphere, and everybody we met seemed really nice. The party hosts even spent a little time with us, and made sure we got talking to people.

We took a look around the various areas of the party – it was so sexy seeing people at all stages of sexual activity. Some were partially clothed and groping, just getting going. Before too long some were actually full-on

fucking. In one room, a man was on his back on a bed, with one woman sitting on his face and another bouncing up and down on his cock, while another bloke sat and watched all the action, wanking away happily!

We got talking to a couple a bit younger than us, Mick and Julie, and we told them about our rules. They suggested that if we were up for it, the four of us could go to one of the more private rooms – one where no voyeurs would be allowed. The said they would meet us in there in a few minutes so we could talk it over between ourselves, and disappeared together.

It was a much quicker decision than we would have thought! We were both so turned-on by all the new erotic sights and smells, that neither Dave nor I hesitated at all. The thought of the other couple watching us fuck while they fucked, was actually making my cunt ache! Dave asked how I'd feel coupling off after a while, and sampling another man's cock. He said at that moment, he'd be quite happy having a foursome! I surprised myself by immediately agreeing – I was more horny than I'd ever been and my pussy was so wet that I suddenly relished the thought of having an experience with another couple.

When we found the private room, Mick and Julie were already naked, and she was sucking his cock. We stripped off quickly, all our shyness forgotten. I watched them as I did likewise, taking my man's cock into my mouth and I beginning to suck and lick his length. My husband's dick was rock hard, so I could tell he was really turned-on, watching that other couple, mirroring what they were doing.

Julie got down on all fours facing the centre of the room, and after sliding his cock along her slit a couple of times, Mick rammed his meat into her with one smooth thrust, making her yelp with delight. I mimicked her, getting into a doggy position directly facing her, although a few feet away, and felt Dave's big cock delve deep into me. Both men began pumping in and out of us, banging away. Dave got so carried away that he was actually shunting me along the rugs on the floor, and I found myself only a foot or so away from Julie. I looked up directly into the other woman's eyes, and I could see that she was loving every second of it. She leaned a bit further forward and planted a long kiss on my lips. I'd never been kissed by a woman before, and it felt amazing! Her lips were so soft, but hungry at the same time – her tongue pushing into my mouth, fucking it with a rhythm as she was pummelled hard from behind. She reached a hand out and caressed my boob, and my breath caught in my throat. It was all too much, my breath came in sharp pants, and as I pulled away and looked at Julie, I realised that like me, she was coming.

I got there first though, my cunt bursting with pleasure as I came much harder than I had for a long time. I think that set her off, because she came noisily seconds later. Mick was the first to spill his seed, shooting streams of his sticky mess all over her arse. I encouraged Dave to do the same and was not disappointed when I felt the warm jets of his spunk on my bum, and up my back.

Since then, we've been to a couple more parties – we're getting a bit more adventurous every time. I haven't taken another man's cock yet, but Dave's made it very clear that as soon as I'm ready, he's well up for it. I can't see that it'll be too long! I've also discovered the exhibitionist in myself. We've fucked in the park, where we've made sure we've been caught by passers by, and are now discovering how great dogging is, as we can drive out and put on a show any evening we like! The thought of getting fucked by a stranger over the car bonnet is starting to appeal to me more and more!

LUCY

Look, you can't really blame us – we were so desperate to catch up with Lucy Zara again that we just burst in on her while she was still in her dressing room!

"That's very rude, you know, interrupting a lady when she's at her toilet." she chided. Still, I'll let you off on this occasion."

Well we should think so too – interrupting someone when they're getting ready might be rude, but it's nowhere near as rude as the delightfully filthy poses Lucy treated us to. Good manners will only get you so far, after all!

04. Lily
Derby

"I've got several different vibes and dildos, but this one's my favourite all-rounder," says Lily, 49. "It's just the right shape to really get me off, and it's also a good size to slide up my bum!"

05. Jane
Leeds

"I never used to play with myself when I was younger, but I just seem to get hornier with every passing year and now I can't leave myself alone!" says 58 year old Jane.

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing...

06. Katie
Yorks

"There's nothing that gets a fell going quite like watching a girl putting on a solo wank display," reckons Katie, 35. "Plus it means I get an orgasm or two even before we start to fuck!"

07. Jamie
Scotland

"God it feels so naughty posing for a picture witting on my favourite vibe!" says Jamie, 27. "It's got me feeling so turned-on I'm going to be desperate for a hard cock or two to sort me out!"

"My dad was barely old enough to have much of a twinkle in his eye back in 1980!" she laughs, but then the serious business of getting out of those pesky clothes and having a fiddle for us got too pressing, and that was the end of the chat. Never mind – there's always next time...
